

For family or friends who
step up to raise a child.

Are you a kinship carer in Oxfordshire?

Kinship carers are friends or
family who step up to raise a
child when their parents aren't able to.

**Get FREE support and be part of a national research
trial**

Kinship, the national charity for kinship carers is funded to provide support to 40 kinship carers in Oxfordshire over the next year.

What this means

We're looking for **40 kinship carers** to receive our 6-month Kinship Connected programme.

This is **absolutely free** and you'll receive independent support from a charity worker called a Kinship Navigator.

They'll work with you to:

- understand you and your family needs
- develop your own personalised and practical toolkit and plan
- help you to advocate for kinship child or children
- help you to access and understand things like the schools system or applying for an EHCP and much more
